

The end of a school year can leave us all feeling drained and tired. Sometimes I wish I could be like a character in a video game and replenish my energy with a simple mushroom, power pellet, or power booster. I may not have a power pack laying around, but I do have another power source—a real power source that gives us the power to do everything God wants us to do.

His name is Jesus. And, He is AMAZING! We are going to Power Up through the next two months with the hope of creating a super fun and engaging experience for children to learn about the fruit of the spirit—what happens when we are connected to Jesus, the real power source.

In June & July all children's Sunday School and worship will be combined. This will give our teachers and volunteers a chance to rest and replenish.

Music Notes

God has given us a great first year together! I am grateful for the special worship experiences we had including the Christmas Choir/Orchestra concert and the recent Heaven Bound hymn festival. I am thankful for your support of these events which provide out-reach to our community. Most of all, I am grateful for our weekly services as we gather to worship God in spirit and in truth. This past Sunday was a wonderful example as we honored our fallen heroes and celebrated the God who gives us liberty.

An integral part of our worship ministry is the Sanctuary Choir which faithfully prepares each week to lead us in worship. I hope some of you will join us as we kick off Summer Choir again for the months of June and July. Here is the info you need to be a part:

- June 5 & 12 Rehearsal 6:30 p.m. - 8:00 p.m.
- June 19 No rehearsal - MOSAIC Week
- June 26 Rehearsal 6:30 p.m. - 8:00 p.m.
- July 3-Aug 7 No Wednesday night rehearsals.

We will use the above three rehearsals to prepare music for each Sunday during the summer months. On Sunday mornings we will meet in the choir room at 10:45 a.m. to prepare for the service. So, when you are in town on Wednesdays and Sundays during the summer, come join us for a great time of fun and spiritual sustenance.

While leaving the church building recently, I came across the printed program from the North Georgia Technical College ESL award ceremony. At the bottom was printed these words:
A special thanks to First Baptist Church of Cornelia, for sharing your facilities with us. Your generosity and hospitality help make this program a success.
As I thought about those words, a great sense of joy and thankfulness flooded my mind that I am a part of a generous church that extends Christian hospitality to our community. For over 130 years First Baptist has faithfully proclaimed the gospel of Jesus Christ and is still doing so today. Even in this time of transition we continue to be strong and faithful witnesses of the love of Christ. I sense a renewed hope in our church as we seek to live out our faith into a future full of God's promises. I appreciate the support I have felt from so many of you as I have assumed additional administrative responsibilities during this interim time. Our staff and church leadership are working diligently to seek God's will and to build upon the good things happening in our community of faith. I encourage you to be positive about our church and find a place of service as we work together to glorify God.
With a grateful heart,
Randy
